AIRGO-LINE® BACK HEAD ASSEMBLIES FOR PAVING BREAKER MODELS 140A, 160A & 190A

M140A

M160A

M190A

**PART # 18034 (140A)
PART # 17684 (160A)
PART # 17720 (190A)**

AIRGO-LINE®

Ergonomic Back Head Assemblies are fitted with ergonomically designed handles to help reduce harmful vibrations being transmitted to the hands and arms of the operator. No hitting power is lost from the standard handle tool but they do increase efficiency and output due to the reduction in operator fatigue.

AIRGO-LINE® Ergonomic Back Heads are interchangeable with the standard Back Heads, conversions of tools from standard to ergonomic are done in a matter of minutes.
